Dear Dylan Miska,

We are delighted to offer you the position of **Software Engineer Intern** at Bushel!

As a member of Bushel's Team, you will become part of a fast-paced and dedicated group of individuals who help our clients adopt mobile technologies to redefine their competitive advantage, build paperless processes, and empower their employees. Our team is focused on delivering exceptional products to our customers through the embodiment of five guiding principles.

**Creative:** Imaginative builders.

**Smart:** Experts, through teams.

**Passionate:** Insatiably inquisitive.

**Contributors:** Bring value first, last, everywhere in between.

**Committed:** Own the long view.

We look forward to sharing our commitment to delivering our clients outstanding quality and results, and to providing you with every opportunity to learn, grow, and stretch to the highest level of your ability and potential.

You will learn as you work with and observe our awesome team members writing code, performing code reviews, identifying and fixing bugs, overseeing releases, managing client relationships, and setting up development environments. Get ready!

This position reports to the Director of Engineering. Your schedule will be hourly at 15 - 40 hours per week. The wage for this position is \$15.00/hour and does not include benefits. Your start date is May 24th, 2021 and will end on May 13th, 2022. The opportunity to extend this internship will be evaluated at the end date as well.

Congratulations and welcome to the team!

By signing and dating this letter below, you will officially accept the Software Engineer Intern offer with Bushel.
